Activity Drop in Session – Craft Room

The activity drop in session is an ideal time to meet with the activities team and to discuss any new activities, day trips, films, theatre trips etc.

The activities we offer are those requested.

Seated Yoga Trial Session

Friday 11th August 2017

10:30am – Function Room, £5 per session

Yoga can help people with disabilities and inflexibility as the chair replaces the yoga mat in becoming an extension of your body. With all poses and exercises being practised whilst seated, or while using a chair for balance, this allows you to take full advantage of yoga's amazing health and fitness benefits safely.
