

April 2018

Issue 4

Richmond Art Competition Winners

The competition was tough this year as we now have seven Richmond Villages in total.

The Art entries were displayed by category rather than per Village to make the judging fairer than in previous years and the winners this year are

Painting – RV Witney
 Drawing – RV Aston on Trent
 3d Art & Collage – RV Witney
 Textile Art– RV Witney
 Creative Dementia Art – RV Witney

Although Northampton did not win in any category this year the judge did say that the standard of entries was exceptionally high and very hard to make a decision as to which one should win because they all deserved a place!

April 2018

The above planner is a list of activities that happen every month at the Village.

A weekly schedule is delivered to your apartment and lists the activities in more detail as well as adding more choice daily.
