

ASSISTED LIVING PACKAGE

Everyone has different requirements and personal needs – we would do our best to support you within our capabilities. We have to base our 'Assisted Living Apartment Fee' on the assumption that you are able to dress and bathe yourself. We also assume that you can prepare a simple breakfast – make a cup of tea and a light snack using the provisions we have stocked your kitchen with. If you need help with any of these tasks, we will be able to provide this through our Domiciliary Care Agency at an extra charge.
