

# Luxury retirement living comes to Witney

Considered a market leader for quality and service, Richmond Villages are currently building a brand new retirement village in Witney with the first residents due to move in winter 2015.

Providing more than just retirement living, Richmond Witney will offer an aspirational lifestyle. Facilities within the village will include a wellness spa with swimming pool and gym, hair and beauty salon, a library, crafts and IT room, terrace café, restaurant and bar, and all set within beautifully landscaped grounds.

Accommodation includes large one and two bedroom Village Apartments offering an independent lifestyle; Village Suites which come with an all inclusive package to help with the daily chores; and a Care Home providing 24-hour nursing and dementia care. The key element is for people to retain as much independence and choice as they desire whilst helping retain their 'zest for life'.

**Prices from £225,000**
