

Become a Dementia Friend...

...and help to create a dementia friendly community in Witney

Richmond Witney Retirement Village invites all Witney residents, clubs, organisations and businesses to a one hour Information Session at Richmond Witney Sales & Marketing Suite to become a Dementia Friend.

People living with dementia want to continue to lead an active and independent life in their community. Dementia Friends gives an understanding of dementia and the small things we can all do to make a difference.

Come to a Dementia Friends' information session to find out a little more about what it is like to live with dementia and turn that understanding into action.
